

## RCYSL Recreational RULES and POLICIES

The following Rules and Policies apply to all Recreational games played within RCYSL. They should be reviewed by all RCYSL coaches and Referees. Questions may be directed to a League board member, to your Club Manager, or to your club Referee or Coach Coordinators.

### Section 1: Authority and Responsibilities

1:01 RCYSL shall operate under the General Procedures and Specific Rules of the California Youth Soccer Association (CYSA), and any additional Rules and Regulations adopted by RCYSL Board.

1:02 Rules and Regulations adopted by the Board shall not conflict with the Constitution and Bylaws of the California Youth Soccer Association (CYSA), the United States Youth Soccer Association (USYSA), the United States Soccer Federation (USSF), and the Federation International de Football Association (FIFA).

### Section 2: Team and Club Responsibilities

2:01 The hosting club is responsible for providing a correctly sized, safe, and properly equipped field at the scheduled time. The field shall have distinctive lines, approved flags at each corner, and appropriate sized nets and goals. The hosting club shall also provide the Referees as described in Section 4.

2:02 It is the responsibility of the hosting club to ensure that the field is playable prior to the start of games scheduled that day. Coaches may **not** cancel games without prior consent of the Club Manager. The center Referee may cancel the game if he/she determines that the field is not playable. Once the game has started it is the sole responsibility of the center Referee to determine if the field continues to be in playable condition.

2:03 The coaches of both teams (home and visitor) are to report the results of their match in a timely manner. Standings are kept in order to appropriately seed the teams into playing divisions.

2:04 Coaches are responsible for the control of their players, parents and spectators during the game. A coach may be sent off by the Referee as a result of inappropriate behavior by any of these individuals.

2:05 Any individual attending a match may submit a Match Report concerning the game, the participants, the officials, or others in attendance. The completed form should be forwarded to the individual's Club Manager, or to a League official for appropriate action. The Match Report form may be downloaded from the RCYSL website.

2:06 Any team that fails to appear for a scheduled game without a 48 hour notification will be responsible for paying all Referee fees for the rescheduled game; no matter where the rescheduled game is to be played.

2:07 Any hosting club that fails to provide the required Referees in proper attire at the scheduled time should be reported on a Match Report form. The Match Report should be sent to the League Referee Coordinator within 24 hours. The League may impose a fine of up to \$50.00 upon the host club for each offense, unless the offense was due to circumstances completely beyond the control of the club.

### Section 3: Coaches and Players

3:01 All players on a team's roster who are present for a game are to play a **minimum** of **one-half** of that match unless there are disciplinary or medical reasons why they should not. Only those players who have missed practice and are being disciplined, or are ill or injured may play less than one-half of the game. Both the Referee and opposing coach are to be notified prior to the start of the game of any player(s) who will not be participating in at least one-half of the match.

3:02 In order to participate in any matches, including seeding tournaments, **all** players and coaches must be currently registered with CYSA. Being listed on a team roster is sufficient proof for Under 6 players. All coaches and all older (Under 8 through Under 19) players must have current, valid USYSA passes. Referees may **not** accept a team roster in lieu of the required passes (Under 6 excepted). During the principal season of play, participation of 'Guest' players (those registered to a team other than those scheduled to play the match) is **not** allowed. Players who participate without the specified proof of registration shall be sent-off. Any coach who allows a player to participate without proof of registration shall be sent-off.

3:03 At least one coach with a valid coach's pass must be present for each team throughout the scheduled match. If there is no coach with a currently valid pass present for each team, the game shall be immediately terminated.

3:04 In an extraordinary situation and with pre-game (24 hour) approval from the team's club Manager, another coach from the same club may use their pass to coach another team in their club.

3:05 The coach and player passes shall be given to, and retained by the Referee prior to the start of a game. The Referee shall verify that each pass (1) has not been altered, (2) is valid for the current season, (3) the picture is appropriate as mandated by registration policy, (4) the team name is correct, and (5) each player's jersey has an identifying number that is noted on the game card. Signatures are not required on passes, but the coach must sign the game card.

3:06 Unless a coach or player has committed a violation requiring a 24-hour report to be sent to the League PAD; coach and player passes should be returned to each of the teams after the game. The game card should be delivered to the home team's club Manager by the Referee or by the coach of the home team.

3:07 In order to be issued a coach's pass, **all** coaches and assistant coaches must: (1) complete the CYSA "F" course or equivalent and submit a copy of their coaching license (license is not required for U06 or first year coaches), (2) complete the coaches' application, (3) submit an appropriate picture, and (4) pass the RCYSL approved LiveScan (fingerprinting).

**Section 4: Referees**

**All matches shall have at least one Referee currently certified by the United States Soccer Federation (USSF). Referees who are not in full uniform shall serve ONLY as volunteers, and will not be paid.**

4:01 All **Under 6** games shall be played with a single center Referee currently USSF certified at Grade 9 or a higher level. Assistant Referees may be non-certified volunteers supplied by the teams to indicate when the ball is out of play.

4:02 All **Under 8** games shall be played with **at least one** Referee currently USSF certified at Grade 9 or a higher level.

4:03 All **Under 10, Under 12 & Under 14** games shall be played using the **three** Referee system. All Referees must be currently USSF certified at Grade 9 or a higher level, and at least one Referee **must** be USSF Grade 8 or higher.

4:04 Coaches who are also currently USSF certified Referees may serve as Referees, but should not be the center Referee in matches within their own playing division. A player's relative may serve as a Referee, but should not do so when their relative's team is playing. The center Referee should be at least four years older than the players (or be an adult). Both coaches must agree before the game to any exceptions to these specifications. Once both coaches have agreed, they may **not** use the exceptions to protest the game.

4:05 Center and assistant Referees in full Referee uniform shall receive the following compensation from the home team (or from the hosting club) for **regular season** Recreational games:

4:08 The Referee shall permit the coaches of both teams to add written comments on the game card after the conclusion of the match. The Referee should include the identity of the coach(es) making written comments.

4:09 When a player or a coach has been sent-off, the Referee **must** send the the coach and/or player pass and Send-Off Report (24-hour report) to the RCYSL PAD Chairperson. The Send-Off Report form may be downloaded from the RCYSL or District VI website. For CPL games, the 24-hour report and pass is to be sent to the District VI PAD Chairperson.
